

**IEEE****RASSE 2025**IEEE International Conference on  
Recent Advances in Systems Science and Engineering

# PROGRAM AT A GLANCE

## DAY 0 (Nov. 4, Tuesday) – Workshop and Tutorials

10:00–12:00	Workshop
13:30–15:00	Tutorial
15:00–15:30	Coffee Break
15:15–16:45	Panel of Editors <i>Organized by EICs of Systems Journal</i>

## DAY 1 (Nov. 5, Wednesday) – Inauguration, Keynote and Research Tracks

08:30–09:30	Registration and Welcome Coffee				
09:30–10:30	Inaugural Session				
10:30–10:45	Keynote Talk 1–4				
10:30–12:30	Keynote Talk 5				
12:30–13:30	Lunch			WISE Forum – WISE Chair	
13:30–14:00	Keynote Talk 6				
14:30–16:00	Research Track 1 Session 1 Machine Learning – I	Research Track 2 Session 2 Computer Systems and Networks – I	Research Track 3 Session 3 VLSI and Embedded Systems – I	Research Track 4 Session 4 Signal Processing and Communication Systems – I	Research Track 5 Session 5 Robotic and Control Systems – I Session 6 Robotic and Control Systems – II
16:00–16:15	Coffee break				
16:15–17:30	Research Track 1 Session 7 Machine Learning – II	Research Track 2 Session 8 Computer Systems and Networks – II	Research Track 3 Session 9 VLSI and Embedded Systems – II	Research Track 4 Session 10 Signal Processing and Communication Systems – II	

# IEEE RASSE 2025

IEEE International Conference on  
Recent Advances in Systems Science and Engineering

## DAY 2 (Nov. 6, Thursday) – Industry Forum – 20<sup>th</sup> Anniversary Celebrations

### Theme: Powered by IEEE Entrepreneurship

1. Accelerating Innovation for a Sustainable Future
2. Pioneering the Digital Frontier: Metaverse, Web3.0, and Beyond
3. The Next Computing Revolution: New Compute and Biomedical Breakthroughs
4. Navigating the Ethical and Social Landscape of EDT Adoption

08:30 –10:15	Industry Forum Opening	
10:15–10:30	Coffee break	
10:30–12:00	Expert Panel 1	
13:00–14:00	Lunch	
14:00–15:30	Expert Panel 2	
15:30–16:00	Coffee break	
16:00–17:30	Expert Panel 3	
18:00 – 21:00	20 <sup>th</sup> Anniversary Celebrations Reception (Mercure Hotel)	Gala Dinner (Mercure Hotel)

## DAY 3 (Nov. 7, Friday) – Research Focus and Special Tracks IEEE Systems Council AdCom Meetings

9:30–17:00	Special Session IEEE Systems Council Meetings (Invitations Only)		
9:30–11:00	Research Track Session 11	Research Track Session 12	Ph.D. Forum
11:00–11:30	Coffee break		
11:30–12:30	Research Track Session 13	Research Track Session 14	YP Forum – YP Chair
12:45–13:00	Conference Close		

## DAY 4 (Nov. 8 Saturday) – Global Chapter Chairs Summit IEEE Systems Council AdCom Meetings

9:30–12:00	Special Session IEEE Systems Council Meetings (Invitations Only)		
12:00–13:00	Lunch		
13:30–17:30	Special Session Global Chapter Chairs Summit (Invitations Only)
